

WORKFORCE MANAGEMENT SOLUTIONS

Overall
Cost Savings
3-10%

Optimize operations and productivity without sacrificing service. Automize workforce scheduling and personnel management with robust data insights. Augment your workforce employees to better reduce costs and increase customer service.

Our Service

Forecasting & Budgeting

Schedule with optimal precision that meets the business needs. Improve forecast accuracy for better budgeting.

Long Range Staffing

Optimize long-term labor plans. Reduce turnover without over-burdening or underutilizing your workforce.

Mobile Employee Engagement

Empower workers with a mobile experience that allows users to manage their work schedule from the palm of their hands.

The Ascension Advantage

- ✓ Customized service based on your needs; end-to-end full service to solution training
- ✓ 25+ years of collective experience in Logistics Procurement
- ✓ 100% ROI in less than a year for most cases

About Ascension Logistics
